

2022 Fort Zumwalt Education Foundation GROW YOUR OWN TEACHER GOLF TOURNAMENT

SAVE THE DATE

FRIDAY, JULY 8TH, 2022

Bear Creek Golf Club

Our 4-person scramble golf tournament helps raise money for our Grow Your Own Teachers Program, created because of the need for more teachers in high needs areas (math, science, special education, industrial technology and foreign language). This program allows Fort Zumwalt seniors to apply and, if selected, receive \$4,000 per semester to attend college. Once the student completes the requirements and becomes certified, he/she returns to Fort Zumwalt to teach. This program has been highly successful in growing teachers from our very own students who now teach in the district.
